I'd like to inform you that there was a dog attack incident this morning at NARA, involving a dog on a leash that regularly walks with two other dogs with owners. Rick Cowley, NARA groundskeeper, took an incident report, which I have attached.

The woman who was knocked down was not seriously injured, but may be present at tonight's meeting.

I WAS JOGGING WITH MY HUSBAND  
WHEN WE APPROACHED A GROUP OF 3  
DOGS WITH THEIR OWNERS (GOLDEN RETRIEVER, BLACK PUDLE)  
AND A GRAY (SHORT HAIR) DOG.

AS WE PASSED BY THEM, THE GRAY DOG ATTACKED  
ME. I RAN TO AVOID THE ATTACK AND FELL, DAMAGING  
MY WRIST & BACK. THE OWNER (DIANE PURDOM)  
978-635-1734  
WAS ALSO PULLED AND THROWN  
TO THE GROUND. THE DOG DID  
NOT BITE ME, BUT THIS WAS A VERY  
TRAUMATIC AND PAINFUL EXPERIENCE
